

ABOUT MSBTE

The vision of MSBTE is to develop global standard in diploma level Technical Education that matches the latest requirements of Technology and Industry with all round personal development of students, motivating and patronizing various competition like Paper Presentations, Quiz and Project Competition, Career Fairs in different disciplines at various institutes. MSBTE have mission to provide high quality technical and managerial manpower, information and consultancy services to the industry and community to enable the industry and community to face the challenging technological and environmental changes.

ABOUT INSTITUTE

Government Polytechnic, Karad is a premiere technical institute in Western Maharashtra. First Chief Minister Late Yashwantraoji Chavan saw dream of social reform and overall development through education both - general and technical. With his initiative, this institute was established in 1957.

Started with only one course, today G.P.Karad has grown accommodating 6 courses namely CE, CO, EE, EJ, IS and ME. Second shift is also conducted for programs CE, EJ and ME. About 1900 students are studying in this institute. Well-equipped laboratories, highly qualified faculties, ample space, resourceful library are strengths of the institute.

Various activities are being undertaken for development of the institute. AICTE funded Projects like MODROBs are implemented. Institute is also preparing to get NBA accreditation very soon. MSBTE through its monitoring process, have awarded 'Excellent' grade to all courses.

ABOUT COMPETITION

Civil Engineering is a back-bone of the society. In developing country like India, infra-structural development has been given boost which is instrumental in overall development of the country.

A student of Civil Engineering must be aware of modern techniques, efficient machines, proper materials, good procedures, etc. A platform for students to express their readiness is made available through this Quiz Competition. Technical knowledge and promptness in the field of Civil Engineering is expected to be tested and improved through such competitions.
